

# ERECTION OF THIS NEW FAMILY YMCA - YWCA FOR WELLAND AREA

Presents an excellent opportunity for individuals, families, organizations, and corporations to create enduring memorials.

Suitably inscribed tablets  
will commemorate each  
designated gift and thus  
will worthily perpetuate  
the memory of the donor

## THESE WILL BE LASTING MEMORIALS

Dedicated to the Service of Youth for Generations to come! It is the ambition of most men and women that their good deeds live after them. This desire arises not from a wish to have their names remembered, but rather in the gratification of knowing that their influence has made a permanent and positive contribution to the force of good at work in their community.

We place in your hands and on your heart this invitation to join with others in helping us to provide proper facilities to meet the needs of our youth. Your generous gift will be a wise investment in your community.

*"Therefore, when we build, let us think that we build forever. Let it not be for present use alone; let it be such work as our descendants will thank us for; and let us think as we lay stones, that a time is to come when those stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and the wrought substance of them, 'See, this our fathers did for us' " —*
